

# Financial Advisor

Join the team at Christian Credit Union, a financial cooperative dedicated to serving members of the Reformed Christian Community throughout Canada. Make a difference by helping members achieve their life planning goals.

Over time, the Financial Advisor will take over an established book of business and be responsible for continuing to grow the business by building relationships and making new ones. Based out of Edmonton branch, the Financial Advisor will work along side and learn from other dedicated Christian financial professionals. The financial planning group currently manages approximately \$55 Million in assets.

If you are a recent business graduate (with preference given to a graduate of a Christian University) and are called to a career in financial services, visit [www.christiancu.ca](http://www.christiancu.ca) for more information.
